Supplement dated October 12, 2017
to the Statement of Additional Information dated July 8, 2017 for Main Sector Rotation ETF

the “Fund” and a series of Northern Lights Fund Trust IV

Effective October 2, 2017, Ira Rothblut resigned from the Board of Trustees of the Northern Lights Fund Trust IV and Chairman of the Audit Committee. Mr. Joseph Breslin will replace Mr. Rothblut as the Chairman of the Audit Committee.

The following replaces the section **Board Risk Oversight** on page 23:

Board Risk Oversight

The Board of Trustees has a standing independent Audit Committee with a separate chair. The Board is responsible for overseeing risk management, and the full Board regularly engages in discussions of risk management and receives compliance reports that inform its oversight of risk management from its Chief Compliance Officer at quarterly meetings and on an ad hoc basis, when and if necessary. The Audit Committee considers financial and reporting risk within its area of responsibilities. Generally, the Board believes that its oversight of material risks is adequately maintained through the compliance-reporting chain where the Chief Compliance Officer is the primary recipient and communicator of such risk-related information.

The following replaces the first paragraph in **Trustee Qualifications** on page 23:

Generally, the Trust believes that each Trustee is competent to serve because of their individual overall merits including: (i) experience, (ii) qualifications, (iii) attributes and (iv) skills. Mr. Breslin has over 20 years of business experience in the investment management and brokerage business and possesses a strong understanding of the regulatory framework under which investment companies must operate based, in part, upon his years of service as an officer and/or Trustee to other registered investment companies. Thomas Sarkany is qualified to serve as a Trustee based on his experience in various business and consulting positions, and through his experience from service as a board member of the Trust and other investment companies. Since 2010, he has been the President of a financial services firm and from 1994 through 2010, held various roles at a publicly held company providing financial research, publications and money management services to retail and institutional investors, including Director of Marketing and Asset Management, Director of Index Licensing, and member of the Board of Directors. In addition to his service as a Trustee of the Trust, Mr. Sarkany serves as a trustee of the Northern Lights Fund Trust II and has previously served as a director of certain public companies. Charles R. Ranson has more than 20 years' experience in strategic analysis and planning, risk assessment, and capital formation in the operation of complex organizations and entrepreneurial ventures. In addition to his service to the Trust, Mr. Ranson serves as an independent trustee to another mutual fund complex. Each Trustee's ability to perform his duties effectively also has been enhanced by his educational background and professional training. The Trust does not believe any one factor is determinative in assessing a Trustee's qualifications, but that the collective experience of each Trustee makes them each highly qualified.

Ira Rothblut and the accompanying information is deleted from the table titled *Independent Trustees* on page 24.

The following note is added to “Ira Rothblut” in the table under *Compensation* on page 26:

** Ira Rothblut resigned from the Board of Trustees of Trust effective October 2, 2017.

Supplement dated August 25, 2017
to the Statement of Additional Information (“SAI”) dated July 8, 2017 for
Main Sector Rotation ETF

The following section **Payment to Financial Intermediaries** has been added to the Fund’s Statement of Additional Information:

PAYMENTS TO FINANCIAL INTERMEDIARIES

The Adviser and/or its affiliates, at their discretion, may make payments from their own resources and not from Fund assets to affiliated or unaffiliated brokers, dealers, banks (including bank trust departments), trust companies, registered investment advisers, financial planners, retirement plan administrators, insurance companies, and any other financial intermediary having a service, administration, or any similar arrangement with each Fund, its service providers or their respective affiliates, as incentives to help market and promote each Fund and/or in recognition of their distribution, marketing, administrative services, and/or processing support.

These additional payments may be made to financial intermediaries that sell Fund shares or provide services to each Fund, the Distributor or shareholders of each Fund through the financial intermediary’s retail distribution channel and/or fund supermarkets. Payments may also be made through the financial intermediary’s retirement, qualified tuition, fee-based advisory, wrap fee bank trust, or insurance (e.g., individual or group annuity) programs. These payments may include, but are not limited to, placing a Fund in a financial intermediary’s retail distribution channel or on a preferred or recommended fund list; providing business or shareholder financial planning assistance; educating financial intermediary personnel about a Fund; providing access to sales and management representatives of the financial intermediary; promoting sales of Fund shares; providing marketing and educational support; maintaining share balances and/or for sub-accounting, administrative or shareholder transaction processing services. A financial intermediary may perform the services itself or may arrange with a third party to perform the services.

The Adviser and/or its affiliates may also make payments from their own resources to financial intermediaries for costs associated with the purchase of products or services used in connection with sales and marketing, participation in and/or presentation at conferences or seminars, sales or training programs, client and investor entertainment and other sponsored events. The costs and expenses associated with these efforts may include travel, lodging, sponsorship at educational seminars and conferences, entertainment and meals to the extent permitted by law.

Revenue sharing payments may be negotiated based on a variety of factors, including the level of sales, the amount of Fund assets attributable to investments in a Fund by financial intermediaries' customers, a flat fee or other measures as determined from time to time by the Adviser and/or its affiliates. A significant purpose of these payments is to increase the availability and sales of Fund shares, which in turn may benefit the Adviser through increased fees as Fund assets grow.

This Supplement, and the Fund's Prospectuses and Statements of Additional Information, dated July 8, 2017, provide information that you should know before investing in the Fund and should be retained for future reference.
