**Supplement dated July 11, 2024 to the Prospectus, Summary Prospectus and Statement of Additional Information (the "SAI") dated February 28, 2024**

\* \* \* \* \*

Effective June 28, 2024, the Fund's adviser, Main Management Fund Advisors, LLC, has contractually agreed to reduce the Fund's fees and or absorb expenses of the Fund, until at least June 30, 2025, to ensure that total annual fund operating expenses after fee waiver and/or reimbursement will not exceed 0.98% of the Fund's average daily net assets.

The fee table and expense example on page 1 of the Prospectus and Summary Prospectus will be amended and restated as shown below.

<b>Annual Fund Operating Expenses</b> (expenses that you pay each year as a percentage of the value of your investment)	
Management Fees	0.95%
Distribution and Service (12b-1) Fees	0.00%
Other Expenses	0.18%
Acquired Fund Fees and Expenses <sup>(1)</sup>	0.16%
<b>Total Annual Fund Operating Expenses</b>	<b>1.29%</b>
Fee Waiver and/or Expense Reimbursement <sup>(2)</sup>	(0.15)%
<b>Total Annual Fund Operating Expenses After Fee Waiver and/or Expense Reimbursement</b>	<b>1.14%</b>

- (1) Acquired Fund Fees and Expenses are the indirect costs of investing in other investment companies. The operating expenses in this fee table will not correlate to the expense ratio in the Fund's financial highlights because the financial statements include only the direct operating expenses incurred by the Fund.
- (2) The Fund's adviser, Main Management Fund Advisors, LLC (the "Adviser"), has contractually agreed to reduce its fees and/or absorb expenses of the Fund, until at least June 30, 2025, to ensure that total annual fund operating expenses after fee waiver and/or reimbursement (exclusive of (i) any front-end or contingent deferred loads; (ii) brokerage fees and commissions; (iii) acquired fund fees and expenses; (iv) fees and expenses associated with investments in other collective investment vehicles or derivative instruments (including for example option and swap fees and expenses); (v) borrowing costs (such as interest and dividend expense on securities sold short); (vi) taxes; and (vii) extraordinary expenses, such as litigation expenses (which may include indemnification of Fund officers and Trustees, contractual indemnification of Fund service providers (other than the Adviser)) will not exceed 0.98% of the Fund's average daily net assets. These fee waivers and expense reimbursements are subject to possible recoupment from the Fund in future years (within the three years from the time the fees were waived or reimbursed), if, after such recoupment is taken into account, the expense ratio does not exceed the lesser of the expense limits in place at the time of the waiver or those in place at the time of recapture. This agreement may be terminated by the Board of Trustees only on 60 days' written notice to the Adviser.

**Example:** This Example is intended to help you compare the cost of investing in the Fund with the cost of investing in other mutual funds.

The Example assumes that you invest \$10,000 in the Fund for the time periods indicated and then redeem all of your shares at the end of those periods. The Example also assumes that your investment has a 5% return each year and that the Fund's operating expenses remain the same. Although your actual costs may be higher or lower, based upon these assumptions your costs would be:

<u>1 Year</u>	<u>3 Years</u>	<u>5 Years</u>	<u>10 Years</u>
\$116	\$394	\$693	\$1,543

The following disclosure replaces the fourth paragraph under the heading **MANAGEMENT** on page 13 of the Prospectus.

The Adviser has contractually agreed to reduce its fees and/or absorb expenses of the Fund, until at least June 30, 2025, to ensure that total annual fund operating expenses after fee waiver and/or reimbursement excluding (i) any front-end or contingent deferred loads; (ii) brokerage fees and commissions, (iii) acquired fund fees and expenses; (iv) fees and expenses associated with investments in other collective investment vehicles or derivative instruments (including for example option and swap fees and expenses); (v) borrowing costs (such as interest and dividend expense on securities sold short); (vi) taxes; and (vii) extraordinary expenses, such as litigation expenses (which may include indemnification of Fund officers and Trustees, contractual indemnification of Fund service providers (other than the Adviser)) will not exceed 0.98% of the Fund's average daily net assets; subject to possible recoupment from the Fund in future years on a rolling three-year basis (within the three years after the fees have been waived or reimbursed) if such recoupment can be achieved within the expense limitations in place at the time of waiver and the expense limitation in place at the time of recapture. The expense limit arrangement may not be terminated during this time period without prior approval of the Board of Trustees on 60 days' written notice to the Adviser. Fee waiver and reimbursement arrangements can decrease the Fund's expenses and boost its performance.

The following disclosure replaces the sixth paragraph under the heading **INVESTMENT ADVISER** on page 20 of the SAI.

The Adviser has contractually agreed to limit total annual operating expenses of the Fund through June 30, 2025, including the advisory fee, (exclusive of (i) any front-end or contingent deferred loads; (ii) brokerage fees and commissions, (iii) acquired fund fees and expenses; (iv) fees and expenses associated with investments in other collective investment vehicles or derivative instruments (including for example option and swap fees and expenses); (v) borrowing costs (such as interest and dividend expense on securities sold short); (vi) taxes; and (vii) extraordinary expenses, such as litigation expenses (which may include indemnification of Fund officers and Trustees, contractual indemnification of Fund service providers (other than the Adviser)) to 0.98% of the Fund's average daily net assets; subject to possible recoupment from the Fund in future years on a rolling three-year basis (within the three years from the waiver or reimbursement) if such recoupment can be achieved within the lesser of the foregoing expense limits or those in place at the time of recapture. Fee waiver and reimbursement arrangements can decrease the Fund's expenses and boost its performance.
